**An evening with 3 Time National Champion & "AMA Hall of Famer", Marty Smith
with former MX Champion, "The Professor" Gary Bailey and Friends.**

This is a first of a series of informal motivational seminars and open mic for 2011 focused on our rich history of motocross and the psychology of winning on & off the track. An evening of cool stories, moto history, how it was back in the day and how it relates to today! This event will be hosted at the Lucas Oil AMA Pro Motocross Championship at Unadilla on Friday evening (8/12) from 7:00-8:30pm prior to Pro day at the Amateur Track (U-2).

We will host 3 Time AMA National Champion and AMA Hall of Fame legend Marty Smith. Jeremy McGrath, Ryan Hughes, Michael Craig, and Rob Lyttle are just a few from his student rooster. Join us and former AMA champion Professor Gary Bailey and invited champs for a once in a life time opportunity to hear their stories of "Old School" and how it relates to "New School".

Silent auction of cool retro items, all proceeds go to support the Legends & Heroes Tour and raffle goodies supplied by our supporters.

Located at the Legends & Heroes MX Tour "BIG TENT" in the Amateur pits at the U-2 track
