The Legends & Heroes of MX 2011 Tour will be honoring Chuck Sun @ Seattle Supercross!

April 13, 2011 ~ Merced, CA: 1980 National 500cc AMA National Champion, Motocross des Nations Champion and AMA Hall of Fame Champ will be honored this Saturday at the AMA Monster Energy Supercross by the Legends & Heroes MX Tour. Chuck is representing avid vintage enthusiasts from www.Vibrantor.com, creators of Baja 250 winning Tune Mass Damper reducing vibration systems.

Chuck Sun was born on September 10, 1956 in rural Sherwood, Oregon into an off-road riding family. In 1968, the young Sun earned \$100 picking beans and strawberries under Oregon's hot summer sun. Twelve year old Chuck bought his first dirt bike that summer with his earnings. Chuck's dad, Roger, was a little skeptical, asking his son "Are you sure this is what you want to spend your money on?" Chuck quickly answered "There's no question Dad, I want that Cat mini bike at the auto parts store".

Bruce Brown's movie "On Any Sunday" made Malcolm Smith an icon in off-road motorcycle racing and would ignite in Chuck an indistinguishable passion for racing. At age of 14, Chuck entered his first motocross race, fell trying to pass everyone in the first turn and learned his first lesson of racing "Balance of Patience and Desire".

Mr. Sun is now a former professional motocross racer who, in 1980, won the AMA 500cc National Motocross Championship. He was also a member of the First U.S. Team in history to win the Motocross Des Nations. He is also the only Asian American to have won a national championship in American professional motorcycle racing. In 2003, Sun was inducted into the AMA Motorcycle Hall of Fame

CONGRATS CHUCK, FOR A JOB WELL DONE!

About the Tour

The Legends & Heroes Motocross Tour is a professional historical display and time-line of Americas greatest motorsport. The tour includes the machines and the champs of Motocross. The project was conceived by a dedicated group of Motocross Enthusiasts who, over the years, have discovered the value of the rich 40+ years of Motocross legacy and its impact on the American motorsports history. "The dedication and passion of the sport has brought the Legends & Heroes Motocross Tour to the next level of sharing this legacy, the history of the machines and men, as well as the women of Motocross. The history of the Classic Iron and its' champions is a dynamic model ever changing. We see this rich history as a great learning lab for all ages" according to Alex Moroz the tours managing partner.
